SE 2051 Low Cost Pt100 Sensor

protection tube

Construction	Closed- end tube, 6mm
Material	SS. 304
Insertion length "L" in mm	Specify by costumer
Outside diameter "D" in mm	Specify by costumer

Lead Wire

|	
Material	"P" for PVC Insulated
	"T" for Teflon Insulated
	"G" for Glass fiber Insulated
	"S" for silicon insulated
Length "X" in mm	Standard 2meters (Other length specify)

Sensor

Type	S" Single Pt100/ "D" Duplex Pt100"
Accuracy	According IEC 751 Class B
Electric Connection	3 Wire System
Range	-50 ~ +400 °C

Option

Sensor class	A, 1/3B
Protection tube material	SS. 316
Electric connection	4 Wire System

Orderig code

Model **SE 2051 -** ☐ ☐ ☐ ☐ ☐

Sensor (S or D)
Outside diameter "D" in mm
Insertion length "L" in mm
Lead wire material
Special option specify by customer

"X" in mm

"L" in mm

"D" in mm
